

SEFTON SCHOOL

MOVING TO LEVEL 2

Dear parents, caregivers and whanau,

Kia ora koutou

Following on from the Prime Minister's announcements yesterday, Sefton School will reopen to all students on Monday 18th May.

The school is currently working through the procedures for a safe return to school and these will be shared with everyone in the very near future.

At present we are asking that everyone completes a short survey to indicate whether or not their children will be returning on Monday 18th May. This will help the school plan for Monday morning and ensure we are ready to welcome everyone back again to school.

There is a second survey relating to bus transport that will help us plan for a resumption of the school bus run on Monday morning. We need to update our records of all the students who are using the bus and this will help us do this at this time.

Your help with these is greatly appreciated.

David Haythornthwaite,
Principal
